The 1931 KODAK

Tenth Annual Publication of
the Students of the Eau Claire
Senior High School, Eau Claire,
Wisconsin.

Foreword

THE abounding energy and buoyancy of youth, its humanness and humor, its serious, provocative thought, its scholarship, its poise—these aspects of our high school life we have tried to picture for you in this informal way. If, as you turn these pages, you find the things that high school means to you, we shall have achieved our goal.

Dedication

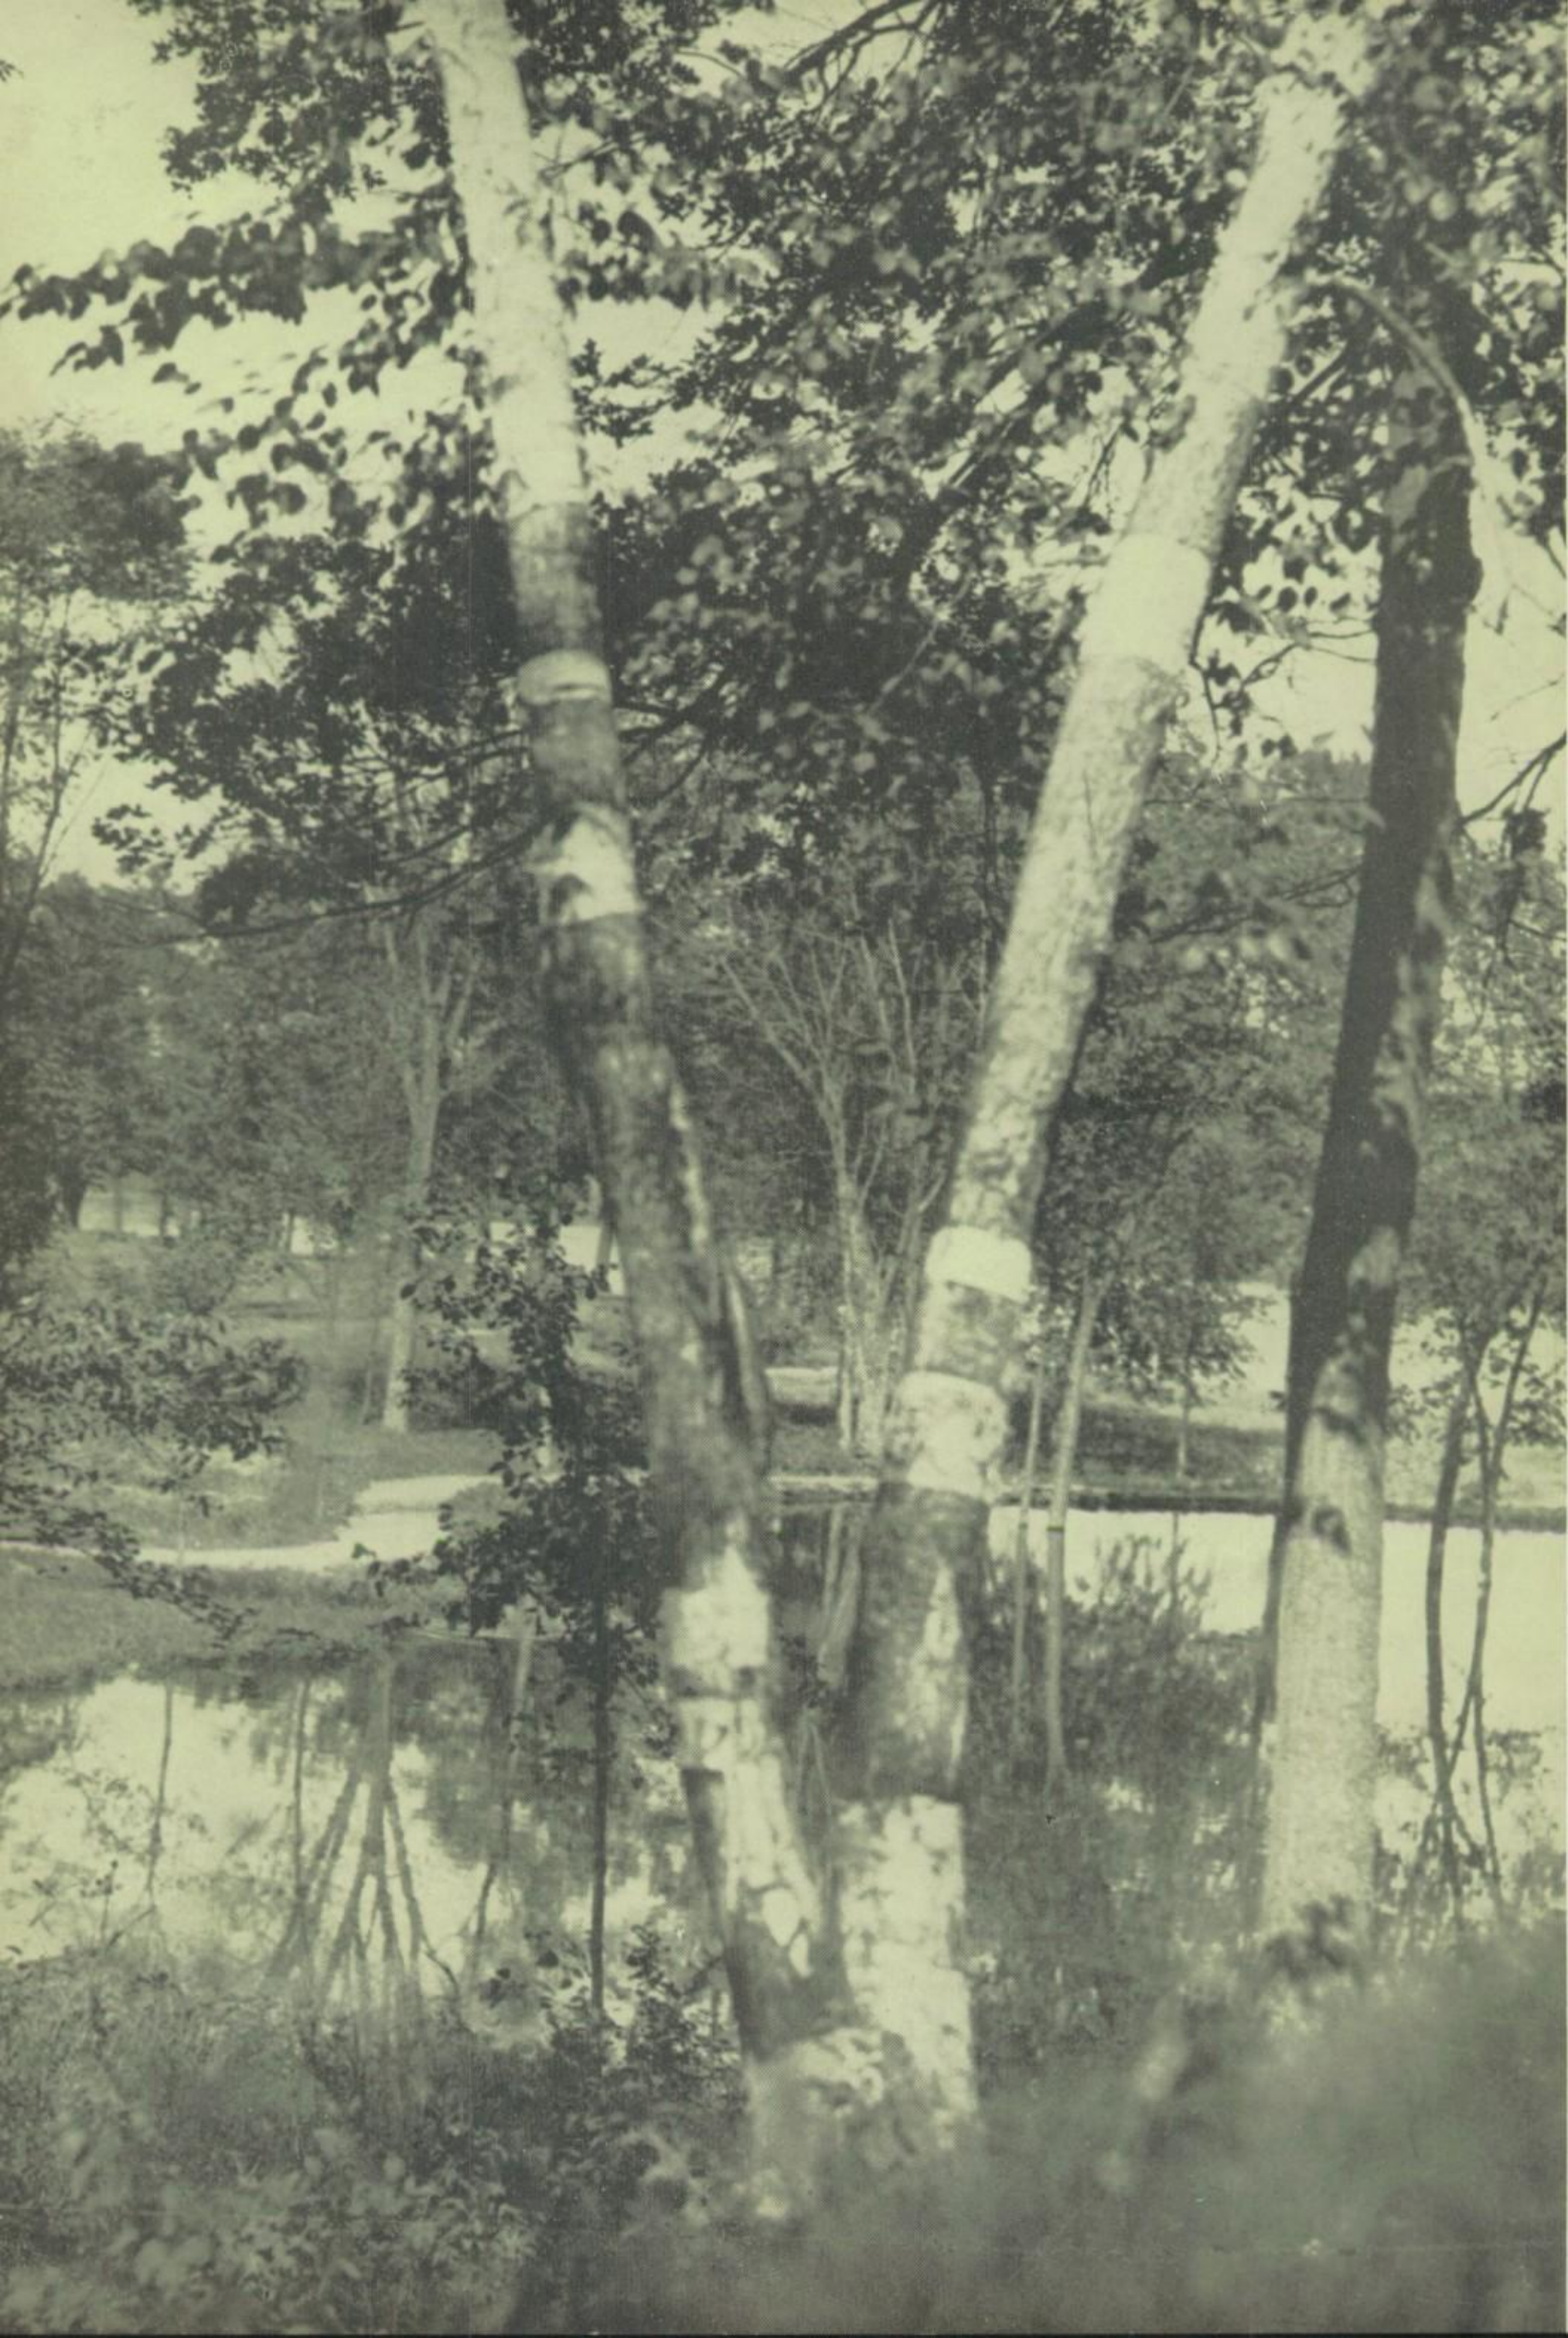

MISS RUTH F. GOWER

We affectionately dedicate this book
to a beloved teacher,

Whose enthusiasm inspires;
Whose brilliance entertains;
Whose helpfulness encourages;
And whose loyalty endears.

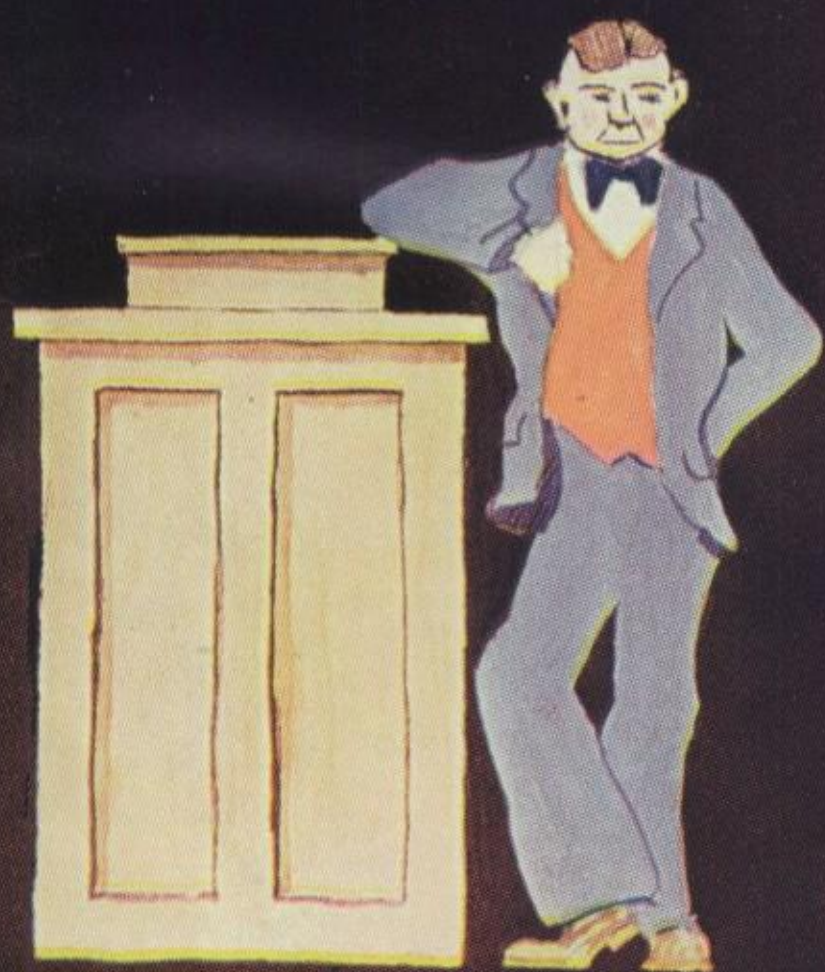

There are those among us
whose duty it is to inspire us
with the desire to learn, and
to discover individual capacities,
guiding each one of us
from something fine to something
finer.

Steps of Progress

By SUPERINTENDENT PAUL G. KELLER

The key-word of thought in the development of new educational patterns to bring them in line with the needs of modern life requirements is Articulation. From the beginning of American history educational programs were set up piece-meal—the common schools, academies, high schools, colleges, and special schools. They conformed to no characteristic American pattern. The common schools were originally copies of the German Volk-Schulen, the academies were preparatory schools for the ministry and so on.

Today every progressive educator is striving to bring about closer articulation between these separate patterns. Our schools in Eau Claire specifically are working on a program of articulation between the elementary school and the Junior and Senior High Schools. During the past two years the two levels of the Junior High, which are the equivalent of the seventh and eighth grades as to chronological age, have been definitely administered. Social Science, Science, General Language, Guidance, Shops and Home Economics with the base subjects of English and Mathematics, and the supplementary subjects of Health, Music, and Art, feature the new subject program. The try-out exploratory idea, individual instruction through the contract and other methods, and personality training are the guiding objectives in the technique of teaching and program making.

The third level is in the process of development. There will be provided this fall two sets of courses likened to the fork in the road. One set will constitute definite, thorough preparation for later courses in the professions. The other set will provide concrete training in one of the several basic skills such as Commercial Activities, Home-Making, Electrical Technique, Steel-Shop Technique, Automobile Technique, Wood-Working Technique, Agricultural Technique. These courses will provide liberal education subjects such as Social Science, Practical Mathematics, English, Science, Languages and similar academic subjects so that the basic skills courses will be well rounded courses, and will lead to a diploma after three years' work in the Senior High School regardless of whether it is a professional course or a basic skills course.

When these courses are in full operation we hope there will be a happier and a more satisfactory adjustment of the student's educational preparation to his life needs.

Improvements For 1931

By PRINCIPAL S. G. DAVEY

Under the guidance of S. G. Davey, several new projects have been brought into Eau Claire High School.

The student honor system is probably the most important that has been introduced. This plan has been substituted for the usual exemption privilege given to students earning the required number of honor points. Any senior having ten grade points—the equivalent of two A's and two B's—is presented with an honor pass which excuses him from roll call and all study halls. Underclassmen earning twelve points—a straight A average—are also granted these privileges.

The purpose of this system is two-fold: first, it encourages scholarship; second, it prepares the student for college work by training him to depend on his own initiative, and by preparing him for taking final examinations which are always compulsory in college or university.

Another advancement for scholasticism in Eau Claire High School is the foundation of the National Honorary Society for High Schools here. Starting in September 1931, the school will be allowed fifteen members from the senior class and ten from the underclassmen to be enrolled in this organization. One of the greatest honors a student can receive is to be elected to this honorary society.

A temporary diagnostic department was organized during the year to give supervised study to students needing help. This department uncovers the reasons why certain students fail by giving standard tests to determine the IQ of the student. If tests reveal that the student is of average intelligence, some other reason for the delinquency is evident, and appropriate measures are taken to remedy the situation.

A definite program in Educational Vocational Guidance under direction of Mr. Josvanger has been developed during the past two years. Every ninth grade student is required to elect one semester of Vocational Civics. Guidance day will be held each year; thus a student pursuing four years of high school work will have opportunity to hear at least four councilors in his chosen field.

Illustrated Lessons

The introduction of illustrated lessons in various subjects during the past year has brought with it increased incentive for learning and consequently better achievements. In some classes even motion pictures have been shown. English and History classes in particular have adopted this method of teaching.

Occupational Courses

A few years ago an experimental course in Occupations was added to the curriculum of Eau Claire High School. This course has developed into one of the most practical offered. A very detailed study of the various occupations which students might take up in later life, is made possible by the use of a special library kept for that purpose.

Laboratory Experimenting

Our Science Department is constantly broadening its field and offering more opportunities for the scientifically-inclined student. The addition of new and improved equipment presents an up-to-date and extremely interesting course. Evidence of this fact is shown in the ever increasing number of students enrolling in these courses, many students taking two or three sciences.

Booster Club

The Booster Club of Eau Claire High School has proved itself a definite success. It has been very beneficial in many respects. This system has made it possible for students to attend all school activities at a nominal cost; it has given training to commercial students; and last but not least, it has simplified the financial management of extra curricular activities.

General Science Projects

The example shown in this picture is one of the many unique and interesting projects developed by the students and teachers, in connection with the regular class work. Besides the irrigation project illustrated here, a miniature airport was also constructed.

Mechanical Drawing

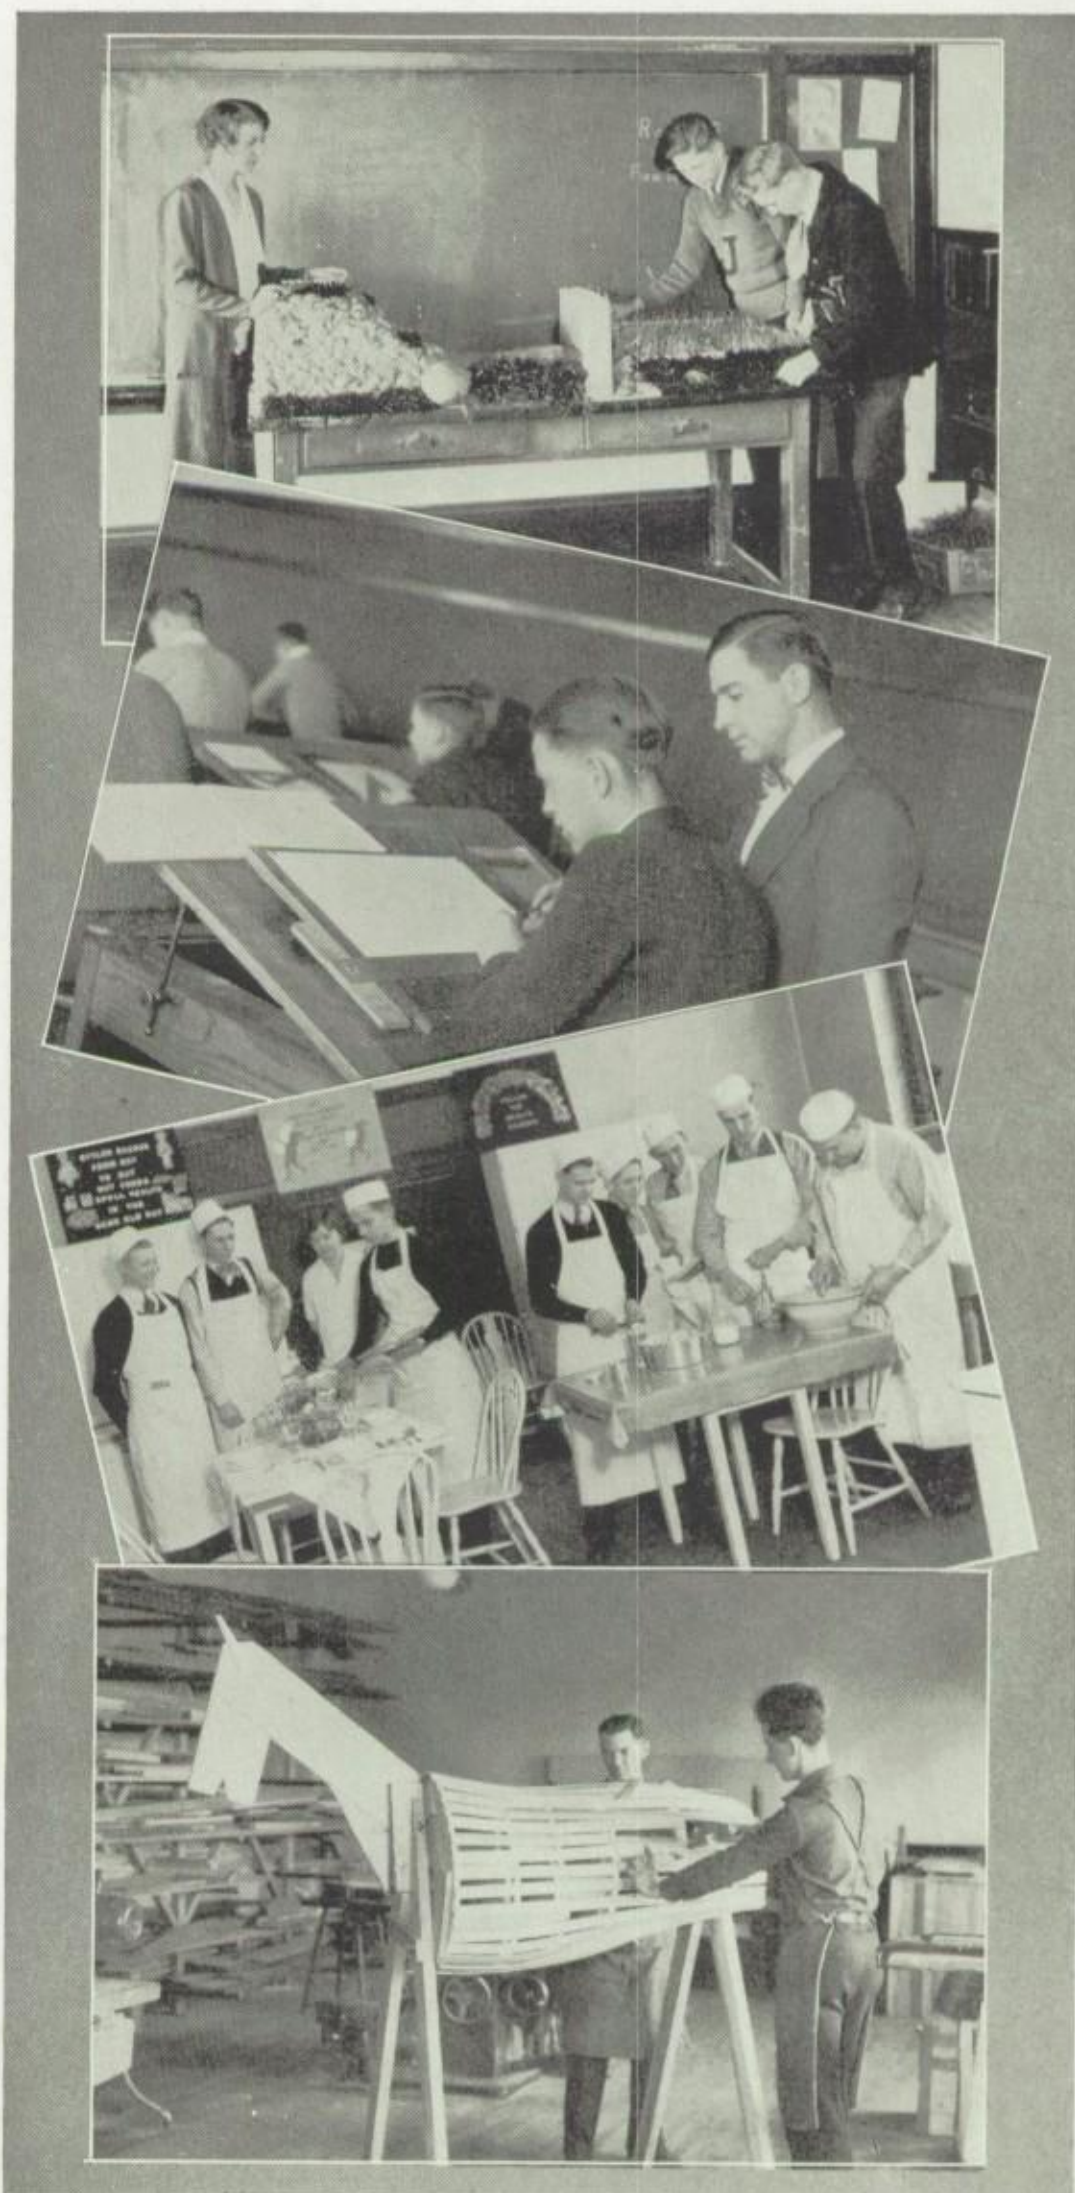

Mechanical Drawing is essential to modern industry. It is a broad field with many phases to specialize in. Our high school prides itself in this field and offers several advanced courses in this subject. The equipment is of the best obtainable.

Chef Class

Interesting?—Indeed! A boys' chef class was introduced into Eau Claire High School this year. All the fundamental requirements for a chef are taught. Even if you aren't going to be a cook—you learn cooking, and "It's lots of fun!"

Woodwork

If you wish to acquire knowledge in the manual arts, such aspirations are made possible in our woodwork and associated manual-art departments. Much attention is given to the individual in these classes, and he is given an opportunity to carry out his own projects. The picture illustrates an unusual project constructed especially for the National Guard.

The student body, informal yet appreciative, are here depicted in their more serious moments as is fitting for the educational side of our high school life.

Class Song

Tune: Riff Song

There comes a time when we must go
A time when we go forth
To seek our fortunes wide
We feel so blue because of you
For we are here to sing our last farewell to you
And then we feel that we owe more to you
Our dear old Eau Claire High.

Chorus

Oh, how we hate to say goodbye to you
Eau Claire High School you have been so true
To see that we are prepared
And, we know that everyone cares
Oh, times will come when we will miss you so
Cuz from our Alma Mater we must go
With love for you Eau Claire High,
We bid goodbye.

A greater interest than ever before is being shown in instrumental instruction in the high school. The three bands, the Senior Band, the Junior Band and the "Pep" Band, are all playing important parts. The Senior and Junior Bands are given full time, five periods per week, instruction, and Pep Band continues to function at all athletic events and "pep" mass meetings in the auditorium.

It is their aim, in the near future, to give university entrance credit for participation in these groups.

The Senior Band, in anticipation of attending either the District or State Band Tournaments in the near future, is hard at work on the Class B State Contest number, "Festival Overture" by Taylor. At these contests, it is hoped that the band will be equipped with a set of 60 new uniforms which will be bought from the proceeds of the all-school carnival.

The Eau Claire High School Orchestra, with a well-balanced ensemble of 55 players, is developing into one of the finest musical organizations in Eau Claire.

The outstanding event of the year was the participation of this musical group in the All-District Orchestra Concert, given for the convention of the Northwestern Teachers' Association. The orchestra acted as host to a large group of musicians. The orchestra also gave a short Christmas concert before the student body, and a concert at the County Sanatorium. Participation in the annual spring musical concert was also a feature of the orchestra.

A comparatively large repertoire of this musical organization includes: "Moment Musical," "Hungarian Dance No. 5," "In a Persian Market," "Iron Count," "Scented Violets," and "Coronation March."

THE KODAK

*Top Row—Left to Right: Virginia Bailey, Doris Mitchell, Hildur Ager, Fanchon Johnson, Mary Jane Torrance.
Bottom Row: Burton Loken, John Williams, Miss Newell, Wilbur Voigt, Frederick Anderson.*

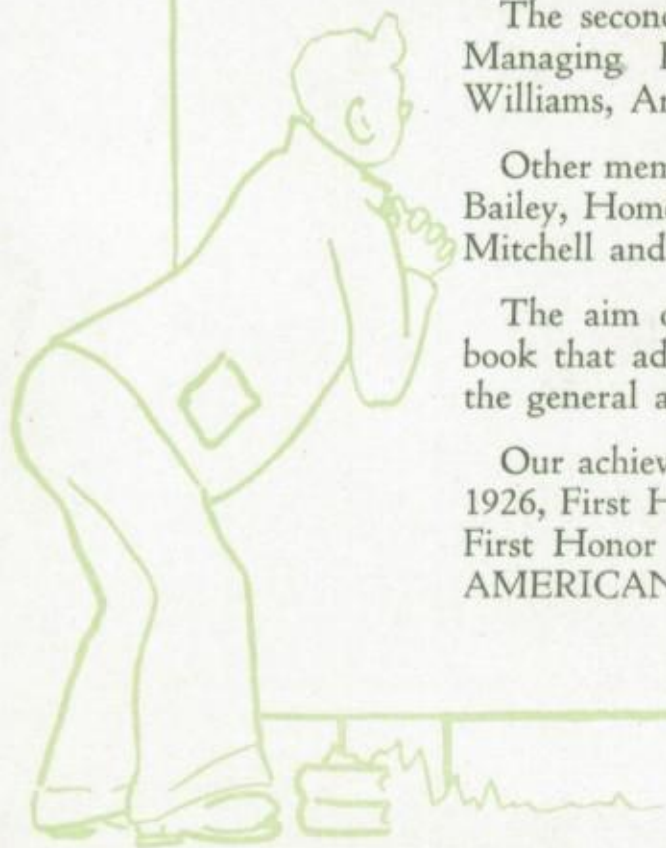

The first semester staff was made up of: Mary Jane Torrance, Editor-in-Chief; Wilbur Voigt, Assistant Editor-in-Chief; Frederick Anderson, Business Manager; John Williams, Art Editor; and Burton Loken, Sports Editor.

The second semester staff included: Frederick Anderson, Managing Editor; Wilbur Voigt, Editor-in-Chief; John Williams, Art Editor; and Burton Loken, Sports Editor.

Other members of the staff were: Hildur Ager and Virginia Bailey, Home Rooms; Fanchon Johnson, Organizations; Doris Mitchell and Mary Jane Branstad, Calendar.

The aim of the 1931 Kodak Staff has been to publish a book that adequately chronicles the past year and meets with the general approval of the student body.

Our achievements are as follows: 1925, First Honor Rating; 1926, First Honor Rating; 1927, Second Honor Rating; 1928, First Honor Rating; 1929, First Honor Rating; 1930, ALL AMERICAN HONOR RATING.

Most of the Kodak Staff working at one time—yes, and only at a time. Actual incidents like this not posed for a picture are few and far between.

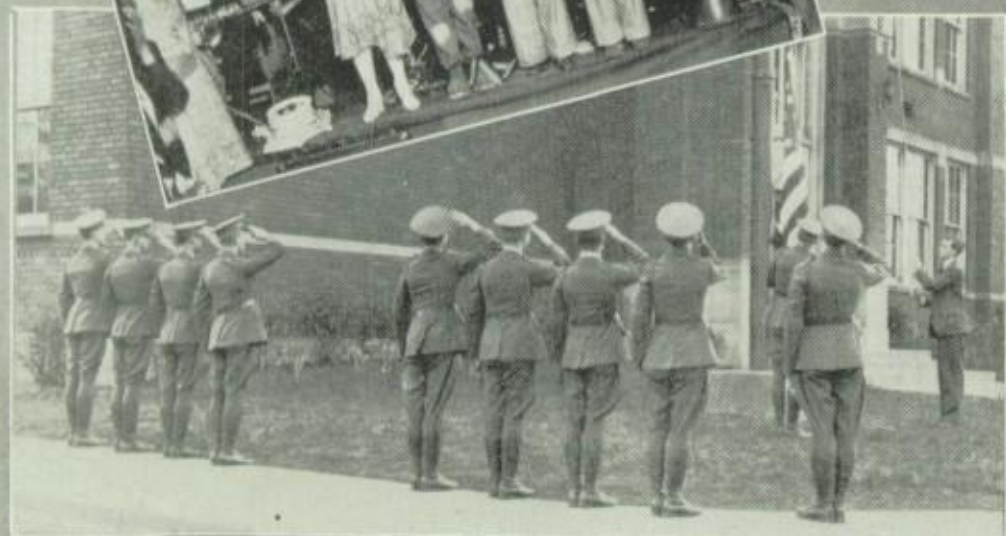

La Crosse shoots a free throw. Get that ball off the bank board, Eau Claire!

Another posed scene, possible but not probable, although the work is always done at some time or another, and the news invariably comes out.

Here we have the prize winners of the Lyceum—Grey Dominoes Halloween Dance. Ike and Mike certainly do look alike.

One of the impressive scenes presented in the Armistice Day Program last November.

The entire ensemble of the Eau Claire High School Orchestra. These students deserve a great deal of credit for their perseverance and reliability in practices as well as concerts.

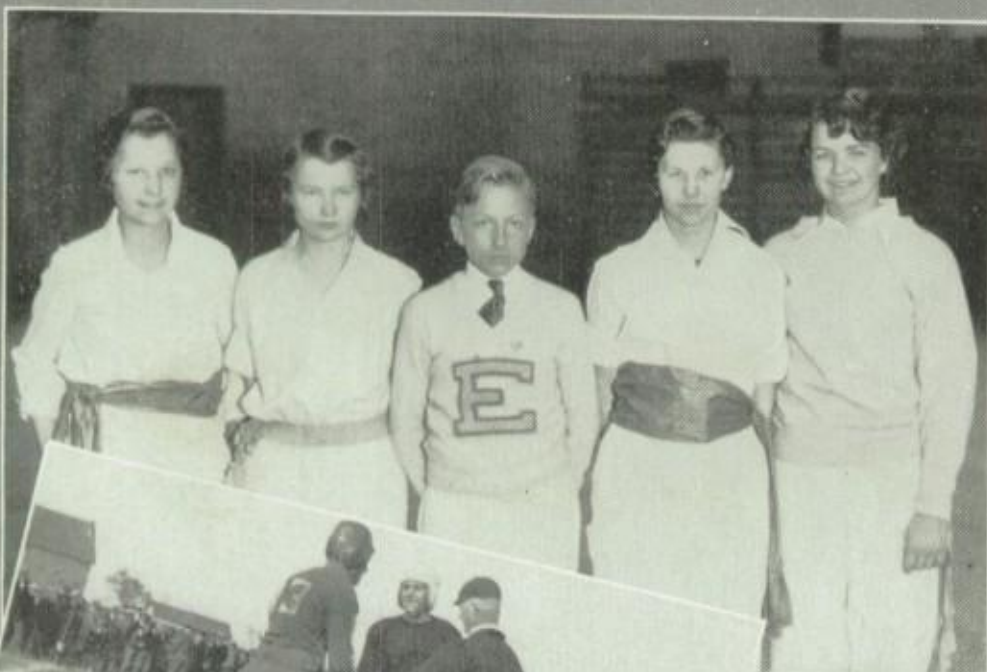

Our band, another of the musical organizations in high school. Both the Band and Orchestra have been under the directorship of Donald I. Boyd, whose capable leading is largely responsible for the good music we hear at most of our assemblies.

Sink it, "Smitty," but look out for "Porky." The seniors were out to beat the faculty this year, and they certainly succeeded.

The harem of senior girls which ran loose through the halls on dress up day, not to mention the bloodthirsty desert shieks, whose pictures didn't turn out good.

A scene from the Senior Class Play, "The Goose Hangs High." The boys seem to be enjoying themselves; but then—who wouldn't.

Our cheerleaders; that is, all except one. Little Jimmie couldn't be there for the picture, but he leads us in yells anyway.

Better shake hands now "Porky," you won't have time for such formalities during the game.

The Homecoming Bonfire — some blaze. The Hi-Y certainly worked hard getting the fuel for this event.

The Rod and Gun Club swimming hole. Many students doubtlessly have refreshed themselves in this, or some less formal swimming place.

The St. Patrick's Day Sunset, put on by the special jazz orchestra which the boys have organized of their own accord.

Five little peanut venders all in a row,
waiting for a customer or else to go.

Paying off an election bet, or just out
for a frolic?

Stranded? Oh no! Fishing? Oh Yeah!
But not for fish.

Now isn't this something? High school
girls on a kindergarten slide! Something
ought to be done.

Nice picture—and how! But where's
the fella, Ella?

Jillopy with its inmates in another pe-
culiar mood. Oh Boy, Oh Boy, Oh Boy!

You seldom can see all our pals at one time. Look closely and you will see that Frank is missing, so the rule still holds true.

Do you believe in signs? You shouldn't in this case.

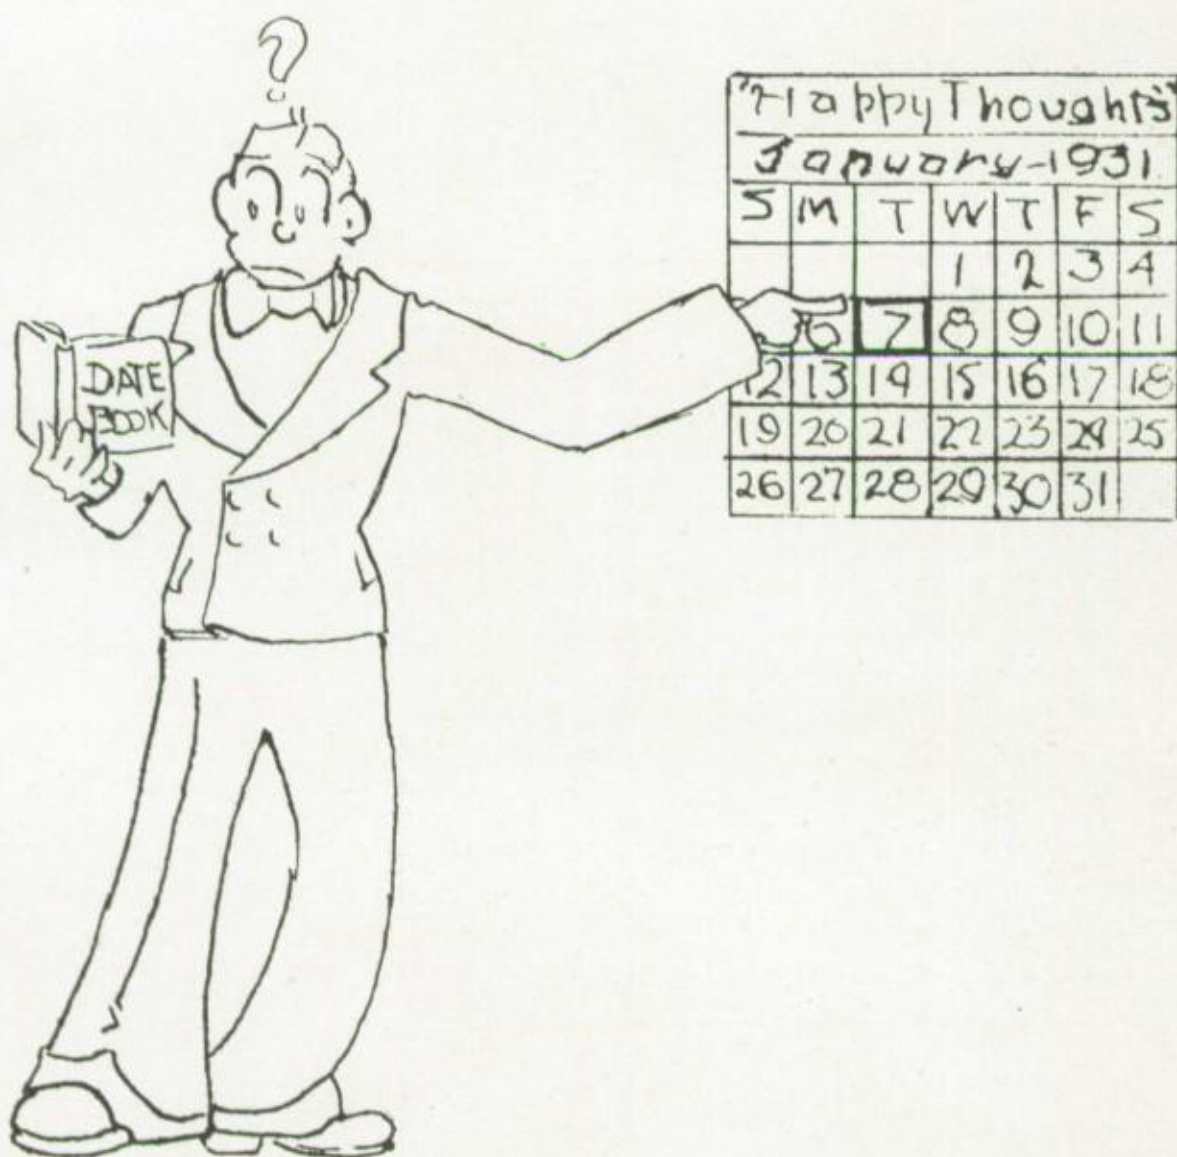

Is this a game? These girls should stop wearing men's clothes. You never see boys running around in skirts.

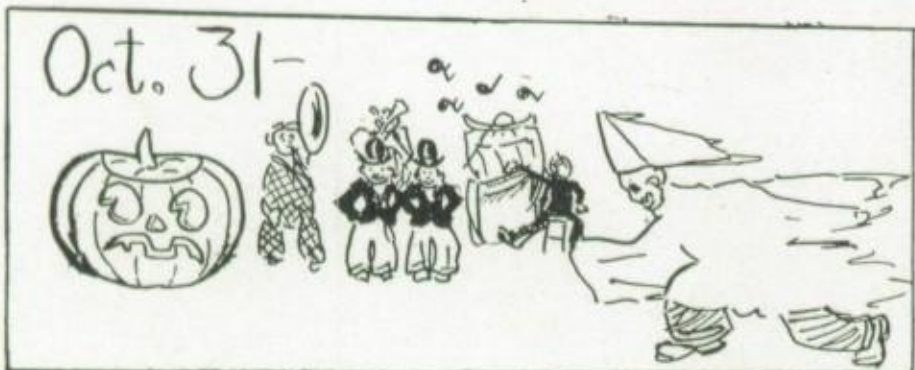

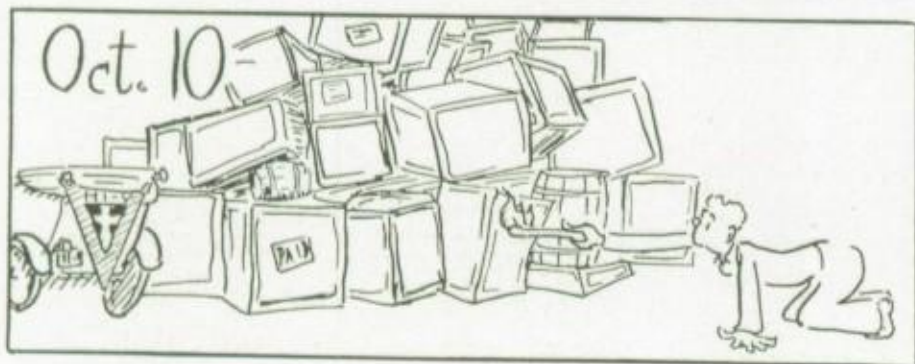

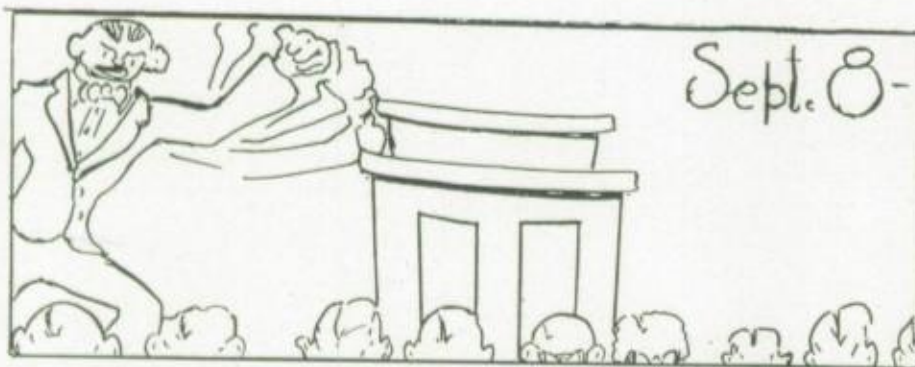

Long distance and half fare.

East side, West side, South side, North side. But by whose side is "Porky?"

Everybody happy? It sure looks that way from here.

OLSON

BUSSELL

CHAPMAN

HAIG

POHL

SHERMAN

GOETHEL, *Captain*

Coach Olson has been in Eau Claire for two years. In this time he has developed good men in both football and basketball. His football teams have lost but one game in two seasons, a splendid record. His basketball squads have also been above the average, despite the fact that during both seasons, Olson has been greatly handicapped by losing several first string men through graduation.

Mr. Chapman takes complete charge of the second team basketball players. His services to Coach Olson are indispensable as it is really the second team players that later make up the varsity squad. The B team has proven its ability by winning the majority of games played this season.

BURKART

Mr. Haig has very successfully aided Coach Olson on the football field. He has charge of the football second squad which furnished the varsity team plenty of competition in scrimmage games.

The newly organized track team has been handled successfully by Coaches Sherman and Bussell. Mr. Sherman has charge of the field men, while Mr. Bussell trains the runners. The training given by these coaches is of great value to the participants.

THE ENTIRE FOOTBALL SQUAD

Top Row—Left to Right: Mr. Haig, Alton Lewis, Jack Lorentzen, Harold Frank, Harley Brook, George Neary, Norman McKay, Ernest Moss, Sanford Kruger, Russell Colby, Richard Lund, Robert Hauger, Donald Dedrickson, John Walters, Elmer Turk, Joseph Kann, Mr. Olson, Elwin Crowe.
Second Row: Mr. Chapman, Thomas Mackove, Gordon Gauthier, Delos Walker, Clemeth Sherman, Howard Smiley, Whitman Rork, Melvin Welke, Richard Derge.
Bottom Row: James Hendrickson, Eugene Pepper, Arthur Gort, William Goethel, Wendell Spink, Gerhart Burkart, Frank Matz.

Mr. Pohl is financial manager for all athletic activities. His duties include advertising for all games, selling tickets, and various other projects. He also has charge of all athletic equipment, which means keeping every suit clean and repaired.

EAU CLAIRE 0 — CUMBERLAND 0

September 27

Playing the first game of the season here, the inexperienced Purple squad held their heavier opponents to a scoreless tie in a game that was hard-fought throughout by both teams.

The fast passing attack of the Cumberland squad gave them a slight advantage over the Old Abes. The score sheet indicated twelve first downs for Cumberland and six for Eau Claire.

There were many discernable weaknesses in the new squad which were strengthened later.

BEFORE THE GAME

EAU CLAIRE 6—WAUSAU 0

October 4

On Saturday, October 4th, again playing on the home field, the Old Abes defeated the Wausau Lumberjacks 6 to 0.

The winning score came in the initial period when Jimmy Hendrickson's 15 yard pass was nailed by Art Gort and carried 25 yards for a touchdown. The remainder of the game was played on practically even terms, featured by a punting duel between the two respective quarterbacks.

The game on the whole was marred by numerous penalties for both teams, Wausau being the worst offender.

EAU CLAIRE 27— PRAIRIE DU CHIEN 0

October 11

Inasmuch as we had not played Prairie du Chien for a number of years, and the fact that Earl Clark, a

recent graduate of Eau Claire State Teachers' College, was their coach, the Eau Claire-Prairie du Chien game held unusual interest for all fans.

The final outcome of the game was a victory for Eau Claire, 27 to 0. Eau Claire made a touchdown in each quarter.

In recovering a fumble over the goal-line by Hendrickson, Matz made the first counter for Eau Claire. The second touchdown was made by Pepper after a beautiful end run. Hendrickson made good the extra point; thus the score at the half was 13 to 0.

In the third period, Jimmy Hendrickson in returning a punt raced through the whole Prairie du Chien team for a touchdown, and then kicked the extra point.

At this point in the game, Ade sent in a squad of substitutes who, following in their teammates' footsteps, started a march down the field which resulted in a touchdown by Rork. John Walters made good the extra point.

EAU CLAIRE 13 — LA CROSSE 0

September 18

On October 18th, Eau Claire successfully kept their record clean by scoring two touchdowns over their hill-dwelling rivals, thus defeating them 13 to 0 at La Crosse.

Both touchdowns came in the first half and they were both made by Art Gort. The first one was the result of a beautiful 28 yard run by Gort, and the second by a pass from Jimmy to Art.

This game proved to skeptics that the team could play good ball regardless of time, place, or weather.

EAU CLAIRE 13 — MENOMONIE 0

October 25

Playing the Menomonie team on their home field in ideal weather conditions, the Old Abes vanquished another opponent, this time 13 to 0.

A pass, Hendrickson to Gort, completed for a touchdown by Gort's 20 yard run, was good for a score early in the initial period. The ensuing periods went scoreless until late in the third period when Pepper, taking the ball on the 31 yard line ran it up to the 11 yard

line. It was then advanced 6 yards more by Burkart and finally pushed through the line by Hendrickson.

Menomonie fought a splendid uphill battle from then on, but lacking the scoring punch, could do no better than hold the Abes scoreless from then on.

EAU CLAIRE 2 — CHIPPEWA FALLS 13

November 8

With everything to win and nothing to lose, a determined Cardinal team met the Purple warriors on an off day and defeated them by a score of 13 to 2.

Chippewa's first touchdown came in the middle of the second quarter when a long pass was caught by Johnson beyond all Eau Claire defense.

Eau Claire's lone tally was acquired in the third period. Lund downed a punt on Chippewa's three yard line; Chippewa's punt blocked; and the ball was downed behind the goal line for a two point tally.

With still a good chance to win, the team kept on determinedly, but all hopes faded when Chippewa opened a deadly passing attack that netted another touchdown besides the extra point.

EAU CLAIRE 70 — BLOOMER 0

November 15

A plunging, passing, Eau Claire football team met the Bloomer High School squad in a post-season charity contest here on November 15th. The game was predicted by dopesters to be a close battle, but the score, 70 to 0, indicated otherwise.

Throughout the entire game the Eau Claire team showed its extreme superiority, scoring three touchdowns in the first period, two in the second, five in the third, and even a touchdown in the fourth quarter, with the entire third squad substituted. Every man with a uniform on played in the game at some time or other, and every man played exceptionally well.

EAU CLAIRE 31 — BARRON 13

November 22

On November 22, only a few days after the football season was over, the Eau Claire basketball team, composed of five lettermen, defeated Barron 31 to 13. Eau Claire's offense, led by Hotchkiss, was outstanding, considering the fact that the team had had practically no basketball practice.

EAU CLAIRE 9 — MONDOVI 24

November 28

A veteran Mondovi team with fast-breaking offense and tight defense proved too much for the local team. Consequently, after leading through the entire game, held here on November 28, Mondovi bagged a victory, 24 to 9.

Exceptional playing ability was demonstrated for Mondovi by the Lieberman brothers, while Hendrickson starred for Eau Claire.

EAU CLAIRE 16 — McDONNELL 13

December 3

In a slow, uninteresting game, the Purple Quintet managed to eeze out a victory over McDonnell High School of Chippewa Falls by a score 16 to 13. The team showed many places for improvement, but as a whole, functioned quite well.

A TENSE MOMENT IN THE BARRON GAME

EAU CLAIRE 20 — ARCADIA 15

December 12

By staging a rally late in the second half, the Eau Claire team took a hotly contested game from the Arcadia Red-Birds, 20 to 15. The game, played on Friday night, December 12, here, was well attended and included a large group of Arcadia fans.

EAU CLAIRE 9 — RICE LAKE 20

December 18

On Thursday, December 18, the Purple-clad warriors journeyed to Rice Lake where they suffered a 20 to 9 defeat. The Lakeman were far superior in passing and much faster than the Eau Claire team. Eau Claire was outplayed from the start, the score at the half being 8 to 3, with only three free-throws to the Old Abes' credit.

EAU CLAIRE 2 — WAUSAU 33

January 3

The most humiliating defeat of the season was suffered January 3, at Wausau at the hands of the Wausau Lumberjacks. The game was one-sided throughout although the Lumberjacks ran up 16 of their points in the last quarter.

Not a field goal was made by Eau Claire; Hendrickson made the only points, via the charity method.

EAU CLAIRE 13 — RICE LAKE 18

January 9

The Eau Claire quintet was out for revenge against the strong Rice Lake team on January 9, here—and almost got it. The final score, 18 to 13, does not indicate its closeness.

The Old Abes lead 8 to 2 at the quarter, and 9 to 8 at the half, but three field goals, just before the game ended, gave Rice Lake another victory.

EAU CLAIRE 12 — LA CROSSE 21

January 16

On January 16, at La Crosse, the Purple warriors fought hard, but the Central High cagers repelled the invasion by a 21 to 12 score.

La Crosse took the lead in the beginning and kept extending it throughout the game. Tough luck in shots for the basket played a large part in keeping the score down for the Ademen.

EAU CLAIRE 23 — PRAIRIE DU CHIEN 5

January 17

Just to show skeptics that they could play good ball, a determined team met and severely trounced Prairie Du Chien, 23 to 5, at that city on January 17.

Eau Claire took the lead immediately, and with superlative floor work, passing, and shooting, kept a large margin that was never threatened.

HOTCHKISS

WAUSAU SINKS A FREE THROW

EAU CLAIRE 12 — CHIPPEWA FALLS 10

January 23

The ancient rivals, Chippewa Falls and Eau Claire, clashed here on January 23. The Old Abes emerged from the fray with a clean, hard-fought victory, 12 to 10.

Lead by Grisvold, the offensive ace of the game, Eau Claire managed to keep a slight lead throughout the game—the score at the first quarter being 6 to 2, and at the half, 8 to 5.

The highlight of the game was the stalling of Eau Claire in the last half. So perfect did the stalling machine work in the third quarter that not a point was made by either team. In the fourth quarter, desperate work by Chippewa broke up the stalling, but even then Eau Claire kept up with Chippewa's scoring.

EAU CLAIRE 15 — MENOMONIE 28

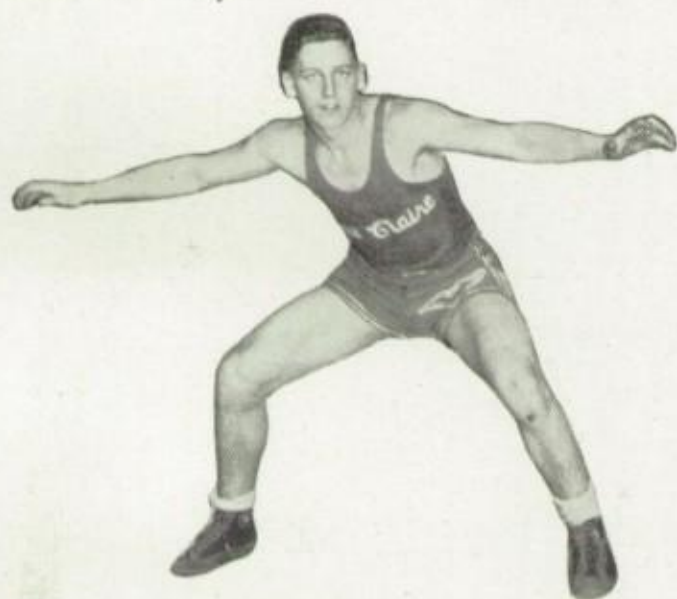

January 30

On Friday, January 30, fate handed down a 28 to 15 defeat for Eau Claire. Menomonie was victorious because of their ability to sink long shots that were seemingly impossible.

The half ended with Eau Claire on the long end of a 6 to 5 score, but at that point luck changed, and Menomonie had it all their own way.

EAU CLAIRE 12 — LA CROSSE 14

February 13

In one of the most hotly contested battles of the season Eau Claire was defeated in an overtime period by La Crosse.

The game, held here on Friday, February 13, was a free-for-all for both teams. Neither team had an advantage; the lead, never more than two points, changed constantly.

EAU CLAIRE 18 — CHIPPEWA FALLS 17

February 20

On February 20, at Chippewa, Eau Claire and Chippewa Falls clashed again. In a game similar to the previous "10 to 12 thriller," the Old Abes again emerged victorious—this time by the score 18 to 17.

Chippewa lead during the entire first half that ended 11 to 8; however the "do or die" attitude of Eau Claire in the second half, and the stellar offense lead by Jimmy Hendrickson overcame this lead just before the game ended.

EAU CLAIRE 21 — MENOMONIE 25

February 27

With the Chippewa victory still in mind, the determined Ademen journeyed to Menomonie on February 27, to get revenge for the former defeat. However, Menomonie's deadly eye for the basket proved too much, and Eau Claire was defeated by the close score of 25 to 21.

EAU CLAIRE 15 — STANLEY 19

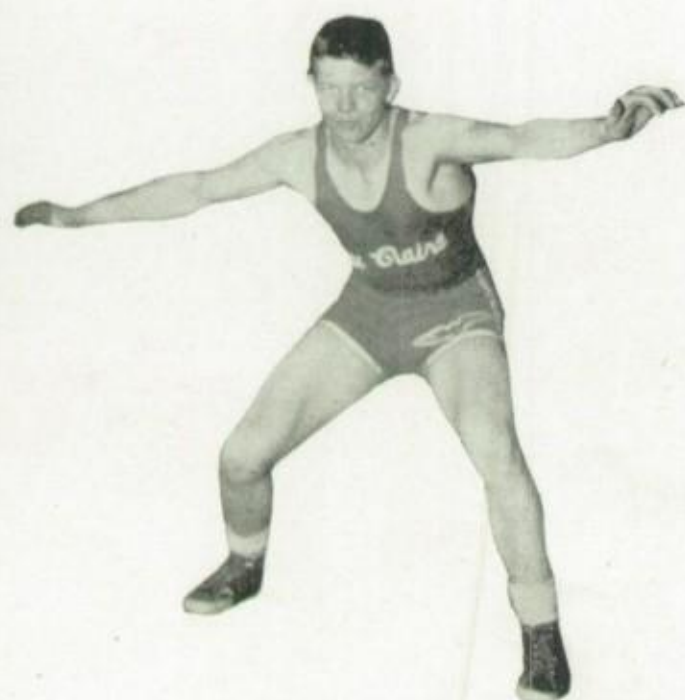

March 4

Forced to play an elimination game to decide whether or not they got into the district tournament, the Old Abes went to Chippewa to play Stanley High School on March 4. Sickness among some of the members of the team did much to hinder the Abes.

EAU CLAIRE 20 — WAUSAU 27

March 6

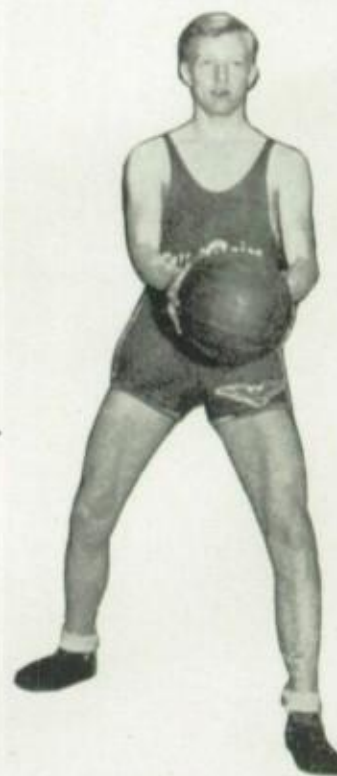

Winding up the season, with many of the players playing their last game for Eau Claire High School, the fighting Purple quint put up a remarkable game against the strong Wausau five, being beaten only by the close score of 27 to 20. Captain Jimmy Hendrickson was the outstanding player on the floor.

Intra-Mural Football

When the call for Intra-Mural football was issued, about 125 boys donned suits, provided for them by the Intra-Mural Department, and trotted over to Carson park for practice games. Although the suits did not fit some of the boys perfectly, no grumbling was heard, and all of the boys seemed to appreciate the fact that they had a chance to play football.

The heavy division championship was won by the sophomore class, and the juniors walked away with the lightweight crown.

Many of the games were very hotly contested and showed real playing by some of the men who should be good enough for Varsity next year.

Coaches and directors of Intra-Mural football this year were: Mr. West, Mr. Anderson, and Mr. Owen.

Intra-Mural Basketball

About 125 boys reported for Intra-Mural basketball this year. The race for the championship was a very close one, and no team seemed very superior to the others.

The senior heavyweights won the championship in their division, while the juniors earned first place honors in the lightweight division.

Due to the varsity team holding practice in the gymnasium every night after school, the time left for Intra-Mural games was greatly limited. A choice of playing either at noon or at night was left, the latter being favored at most times.

The boys were always on time, so the games went off according to schedule. According to Mr. West, who has charge of Intra-Mural athletics, there will be some fine material for the Varsity squad next year.

Track

Instead of having spring football as we have usually had in the past years, track was introduced into high school last year. Track gives all the boys participating the same opportunities in training as did spring football, but also adds experience in an entirely different line of competition.

A comparatively small number of boys turned out for track this year. The outlook is fairly optimistic in spite of this fact, as practically all the candidates are members of last year's squad. Some of the boys who are new to this form of sport show promise and ability in both running and field events.

According to Coach William Sherman, the squad is stronger in the field events because there are more lettermen back from last year, while comparatively few runners have earned their letters as yet. However, the runners are all in good shape and will hold their own against any competition. Coach Bussell has charge of training the runners, and he certainly sets a stiff pace for their practice runs.

There are two captains of the track team this year, one for the field men and the other for the runners. William Goethel and John Walters will lead the field men and runners respectively.

Harold Robinson, manager of the track team this year, states that Eau Claire will participate in five inter-scholastic meets. The competition will be stiff, as all the schools with which meets have been arranged, have had strong track teams in past years.

TRACK HURLERS IN ACTION

Winona Track Meet

May 10, 1930

Eau Claire High School's first track team within three years competed in their first meet of the 1930 season on Saturday, May 10, at Winona, Minnesota. The Eagle cinder squad was entered in the B class competition, copping third place in that class with a total of 28 points. The meet was sponsored by, and under the supervision of the Winona State Teachers' College for class A schools of the Badger and Gopher states.

La Crosse Central High School captured first in the class A section with $65\frac{1}{2}$ points, while Stillwater staged a runaway in class B to garner 51 scores to $31\frac{1}{2}$ for Cannon Falls, Minnesota. Rochester was second in class A, and St. Charles, Minnesota third with $28\frac{1}{2}$ and $26\frac{1}{2}$ points respectively. Four schools were entered in class A, and seven in class B.

Melvin Welke threw the javelin a distance of 134 feet to account for one of Eau Claire's first plaecs, while Bill Goethel bowled over the discus event, tossing the plate 99 feet—far enough to cop the gold medal that goes with the winning of that number.

Art Gort was high point man on the Purple squad with a second in the century, fourth in the broad jump, and a second in the 220 yard dash. Goethel, besides winning the plate throwing contest, was able to toss the shot far enough to win third place in that event. Sorenson and McNairy scored second and third respectively in the half-mile run and also aided materially in helping the Hildweller relay four grab off a fourth in the half-mile relay.

Had not Bill Pepper, versatile Eagle athlete, been disqualified in the low hurdles, Eau Claire would have had another first and probably would have won in the class B section. Pepper misconstrued the contour of the track while rounding a curve and fell unknowingly into an opponent's lane, thereby disqualifying himself from that event.

Coach Olson expressed himself well pleased with the showing the boys made, as chances were considered rather weak to even earn a place.

Top Row—Left to Right: Mary Jane Branstad, Helen Midelfart, Ione Lewis, Marjorie Babcock, Barbara Selmer.
Bottom Row: Marianna Auer, Gladys Campbell, Emily Chaput, Beulah Rear, Lois Johnson, Betty Lou Schofield.

Swimming Classes

Weekly swimming classes have been in progress at the Y. M. C. A. all year. The classes meet on Wednesday during the eighth period and after school. A swimming team has been organized which meets at 6:30 o'clock under the direction of Miss Clarkson and Mr. Boyle. The team has been working hard throughout the school year, practicing diligently on the four required dives which one must do in any swimming meet. These dives are: the back-jack, the front-jack, plain front or swan, and a plain back dive. They have also been practicing on various optional dives such as the front-flip, the back-flip, corkscrew, and gainer.

The speed strokes—the crawl, breast, and racing back, have been greatly improved upon. The racing starts and turns likewise have been drilled. In addition to the regular swimming drills, many games are played, among which relay races, horse and rider, and water polo are the most popular.

The groups specializing on particular strokes are: backstroke, Elizabeth Fisher, Ione Lewis, and Erna Litchfield; breaststroke, Marianna Auer, Gladys Campbell, and Marjorie Babcock; crawl, everybody; diving, Ione Lewis, Erna Litchfield, Helen Midelfart, Mary Jane Branstad.

Gymnasium Classes

Gymnasium classes for girls have been held regularly during the past year under the direction of Miss Clarkson.

The regular girls' costume consists of a white blouse, white trunks, white sweat socks, and tennis shoes. However, a new type of outfit, a green, one-piece uniform, now used at the Junior High School, will probably take the place of the present uniform.

The aim of this physical education is to provide an opportunity for the individual to act in situations that are physically wholesome, mentally stimulating and satisfying, and socially sound—so as to develop desirable habits, attitude, and knowledge.

The pupils are rated on their ability, behavior, attendance, and attitude.
